SIPOA: 843-768-0061

Amenity Cards:
843-768-3942

The speed limit on Seabrook Island is 25 MPH, unless otherwise indicated. Do not pass bicyclists at traffic islands.

Seabrook Is Wild!

Other than birds, never feed a wild animal.

Alligators reside in our ponds and lakes. Never, ever allow children or pets near the water's edge.

Play it safe with snakes: Stay clear!

Resist the urge to pet or feed foxes and raccoons, even if they seem friendly.

Be aware of our extremely strong tides and currents.

How to Help Sea Turtles on Seabrook Island

- + DO turn off all lights visible from the beach by 10:00 pm, May - October
- + DO stay away from nesting turtles and hatchlings
- + DO keep dogs on leashes
- + DO fill in all holes on the beach at the end of the day

- DO NOT use flashlights or camera flashes around turtles or hatchlings
- DO NOT leave trash or discarded beach items on the beach. Plastics can look like food, and turtles can become trapped in chairs, umbrellas, etc.
